Dear Mr. Couvillion:

Thank you for submitting your application to use the "Certified Product of Louisiana", the "Certified Cajun Product of Louisiana" and/or the "Certified Creole Product of Louisiana" logos on your products. We are pleased to inform you that your application has been reviewed and approved. You are authorized to use any of the enclosed logos on products which are grown, processed, manufactured and packaged by or for your firm in Louisiana. Products **NOT** eligible to carry the logos include those that are grown, processed, manufactured and packaged outside of Louisiana.

This approval is **specific** to the brands or trademarks listed on your application form. Private labeled or generic products produced or packaged by your firm cannot bear the logos until the owner of the product brand or trademark has applied for and been approved by this office for such use.

You may use any color you choose for the "Certified Product of Louisiana," "Certified Cajun Product of Louisiana" and/or "Certified Creole Product of Louisiana" logos, but the appearance of the logo must **NOT** be altered from the camera-ready slicks provided. No element shall be added to or subtracted from the artwork and the logo should appear placed on the diagonal as noted on the slicks.

Sincerely,
